➤ HOW TO CARE FOR YOUR PRODUCT

To clean the antiqued mirror glass, lightly spray the cloth with a proprietary non-smear glass cleaner. Hodgson Sealants glass cleaner is recommended. Rub the damp lindt-free cloth over the surface of the glass to remove the dirt. Using a second cloth, polish the surface of the glass. Repeat the procedure if necessary. Please ensure that any cloths used are checked for grit or dust that could scratch the glass.

➤ HANDLING AND FITTING INSTRUCTIONS

Always lean the chevron backwards when the it is resting on the floor - the chevron glass should not touch the floor or work surface • The mirror is to be fitted on split battens which are situated on the back of the mirror ready • The wall should be assessed prior to installation to see what the make up is • It is important that the split battens that are fixed to the wall are installed level and secure before lifting the mirror onto them.
